

# BEWARE of ONLINE FRAUD !

More and more foreigners are becoming victims of fraud in Tokushima prefecture. They say...

" I trusted him because he was from my country, but he deceived me!"

" They seemed credible through SNS but they demanded money." etc...

## Case 1

A fellow foreigner introduced an investment scheme to me, it was presented as legitimate and profitable. After I deposited a huge amount of money to his bank account, I can't get in touch with him at all.

## Point

- i No assurance in investment.
- ii Don't deposit money with strangers.

## Case 2

I became a lover with a foreigner. But we only communicated through SNS.

On my birthday, he sent me a present. It was a huge amount of money in a luggage.

When I was about to pick up it, I was stopped at the customs and they claimed me for a fine !

## Point

- i This crime is called ROMANCE FRAUD.
- ii The name, picture, occupation and all other information of them are false.

## Case 3

I found an easy part time job through SNS. The employer demanded registration fee before I start working.

## Point

- i This is Employer fraud.
- ii There are no easy and lucrative jobs.

## INFORMATION

- The number of fraud cases is gradually increasing.
- The better it story for you, the more carefully you should think about it.
- Don't trust their stories of how they made a lot of money.
- If you send your IDs like passport to them, they will use it for illegal purposes!
